### Accessing your email

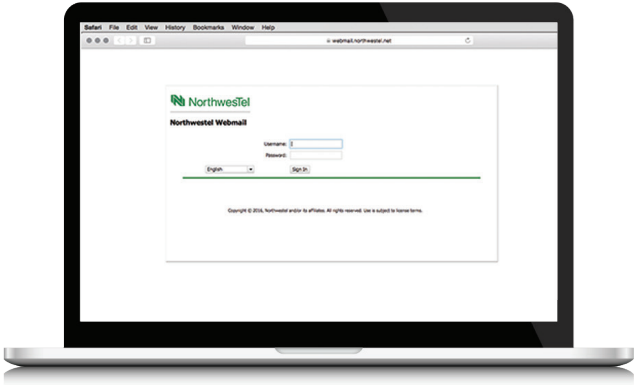

**IMPORTANT NOTE:**

Accessing Webmail through a browser is always secure and secure settings will not need to be updated.

You can access Webmail at **webmail.northwestel.net**. See below for instruction on how to add the Webmail portal to your browser's bookmarks.

### Modify your Bookmarks

- Go to **webmail.northwestel.ca** by typing the web address in your browser
- Click on **Bookmarks** in the toolbar and select **Add Bookmark**
- Click **Add**

Thank you for updating your Northwestel Webmail. We're currently hard at work making your Northwestel Webmail even better. We're sure you'll enjoy the new features of your improved service.
